

How to get started

Go to <https://www.eurofinsgenomics.eu> and login to your account

The screenshot shows the Eurofins Genomics website interface. At the top, the logo and navigation links are visible. A prominent orange arrow points to the 'Login / Register' link in the top navigation bar. Below the navigation bar is a dark banner with the text 'The DNA Universe'. The main content area is divided into two sections: 'LOGIN' and 'NEW TO EUROFINS GENOMICS?'. The 'LOGIN' section contains a form with fields for 'Email*' and 'Password*', a 'keep me logged in' checkbox, a 'Forgot Password?' link, and a 'Login' button. A large orange arrow points to the 'Email*' field. The 'NEW TO EUROFINS GENOMICS?' section contains a 'Register' button with a right-pointing arrow.

Order Barcode Labels for the TubeSeq Service

Click on the green „Order Menu“ Button to open the menu

Select **TubeSeq Labels** to order the prepaid barcodes for the TubeSeq Service

The screenshot shows the Eurofins Genomics website interface. At the top, there is a navigation bar with the Eurofins logo, 'Genomics' text, a 'Login / Register' button, a 'Help' button, a 'Contact' button, and an 'Order Menu' button. A green arrow points to the 'Order Menu' button. To the right of the navigation bar, there is a shopping cart icon with '0 Item(s)' and a 'Go to Cart' button. Below the navigation bar, there is a search bar with the text 'Search for item ...' and a magnifying glass icon. The main content area is divided into several sections: 'EVOcards', 'Oligonucleotides & siRNA', 'Custom DNA Sequencing', and 'Next Generation Sequencing'. The 'Oligonucleotides & siRNA' section contains a grid of links for various services, including '(q)PCR Primer in Tubes', 'SeqPrimer in Tubes', 'Custom DNA Oligos in Tubes', 'NGSgrade Oligos in Tubes', 'LocNA Primer', 'MGB Probes', 'EXTREmer Oligos', 'Custom RNA Oligos', '(q)PCR Primer in Plates', 'SeqPrimer in Plates', 'Custom DNA Oligos in Plates', 'Standard Primer', 'LocNA Probes', 'Probe based qPCR Assay', 'Nano-Scale Plate Oligos', 'siMAX siRNA', '(q)PCR Primer NightXpress', 'SeqPrimer NightXpress', 'SaltFree Oligo NightXpress', 'Standard Primer NightXpress', 'Dual Labeled Probes', 'Cloning Oligos in Tubes', 'NGS UDI Primer Sets', and 'More...'. The 'Custom DNA Sequencing' section contains a grid of links for 'Mix2Seq Kits', 'TubeSeq Service', 'TubeSeq Labels', 'PlateSeq Kits', 'PlateSeq Service', 'Direct Colony Sequencing', 'LightRun Barcodes', 'SupremeRun Tube', 'SupremeRun Barcodes', 'SupremeRun 96', 'SupremeRun | Multiprimer', 'Ready2Load Plate', 'Sequencing Primers', 'Tube & Plate Barcode Labels', 'Sequencing Accessories', 'Primer Walking', 'Sequencing Projects', and 'More...'. A green arrow points to the 'TubeSeq Labels' link. To the right of the 'TubeSeq Labels' link, there is a callout box with the text: 'If you are sending your own primers for sequencing, please order Tube Labels to label your enclosed primer tubes!!!'. The 'Next Generation Sequencing' section is partially visible at the bottom.

LightRun Barcodes

Prepaid barcodes for the LightRun services in tubes and plates

Straightforward sample preparation, fully automated Sanger sequencing, high-quality reads.

To benefit from the **NightXpress Service**, you need an **Overnight DropBox** nearby you.

You can check your nearest DropBox under "My DropBoxes" in your account!

LightRun Tube NXP Barcodes

NightXpress (NXP) delivery.

- Pink prepaid barcodes
- For a premix of DNA & primer
- Free pick up from a DropBox
- Results **next morning 8am - 1pm (Mo-Fr)**

Quantity: 100

Price: 500,00 €

Add to Cart

LightRun Tube Barcodes

Receive results next working day.

- White prepaid barcodes
- For a premix of DNA & primer
- Free pick up from a DropBox
- Results **next business day**

Quantity: 100

Price: 400,00 €

ORDER COMMENT

SEQUENCING PREFERENCES EUROFINS

Advanced Analysis Options (not for Mix2Seq)

IUPAC bases for heterozygous analysis

Sequence should contain "N" for unclear bases

Quality value for sequence clipping: Q20 Q30 Q40

Sequencing Result Info

Send email to ursuladoer@eurofins.com as soon as my results are available

Include FASTA sequences directly in this email (plates excluded)

The result email should also go to:

Desired File Types (not for Mix2Seq)

*.ab1 trace files - Original ABI trace files including all available raw data information

*.scf files - Trace files with base calls and quality values

*.pdf quality report - Trace file with quality scores [\[Example\]](#)

*.phd.1 files - Text file which contains base call and quality information [\[Example\]](#)

*.seq files - Text file with FASTA sequences [\[Example\]](#)

TubeSeq Label Setting

My TubeSeq Labels (prepaid barcodes) can non-restrictively be used by others.

Sequencing Lab Notifications

Inform me per email when my sample material arrives.

Inform me per email when my TubeSeq Labels run below:

Checkout your order from cart – Step 3 Summary & Payment

Please select the appropriate shipping options when ordering barcode labels. This is not asked when ordering the TubeSeq Service!

Enter a PO (billing) number, if available, **or type in any character**. Finally confirm your order.

SHIPPING OPTIONS

Please select your delivery service:

- UPS Standard (0,00 €)
Next business day delivery during the day
- UPS Express (0,00 €)
Next day delivery by noon to most business addresses in Europe
